Dear friend ,

Hello ! how are things ? I hope you are doing well in your new school . I write this letter to share with you exciting moments with our new neighbour .His name is Paul .

We are classmates and friends at the same time . We always spend our free time

together and I want to tell you about an unforgettable outing to the cinema .Because we both feel bored at weekends and after a long week at school , we decide to go to the nearby cinema to watch a horror film . Really , it is splendid to watch such a film with my friend . the atmosphere in the cinema is great . We both feel a bit scared but happy to watch our favourite type of films . After the film, my friend and I go to a fast food restaurant to have pizza .

I really miss you . Why don't you come next winter holiday and we can do many activities together like before

Your friend ,
Thomas
