Dear Mum and Dad

Hi! i am very happy to send you my first letter from London.

It is a very nice city with many high houses. The Johnsons live in a small flat in the central city. The streets are very clean and large. The flat has got three bedrooms, a kitchen, a dining room and a living room. The hall is in the middle.

My bedroom is next to Cindy's room. It is very nice with a bed in the middle, a table on the right and a wardrobe on the left. There is also a desk near the window.

Waiting to hear from you.

Yours' Imene.
