### Some headnotes concerning the four seasons

**Spring** is the fun season . It's the season of new life .

The weather is warm and the sky is blue and clear .

Children play outside . They fly kites , catch butterflies and collect flowers .

People go on picnics . They enjoy playing on the green grass and sitting under the trees .

**Summer** is the season of hot weather .

In summer , the days are longer than in spring .

People wear light clothes like T - shirts , shorts , skirts , dresses and swimsuits .

Children are on holidays . They have many outdoor activities . They go to the beach and have fun . They swim, play volleyball and build sandcastles .

**Autumn** is the cool season .

In autumn, children go back to school and meet their new teachers and classmates .

The weather gets cooler and the days are shorter. It is always cloudy and windy .

The trees are yellow and brown and the leaves fall .

Children enjoy playing with their kites .

**Winter** is the wet season .

The weather becomes colder and the snow starts to fall in many places .

During winter holidays , children stay at home. They play fun games and listen to stories . When they go out , they put on warm clothes like sweaters , jackets, socks and gloves .

On snowy days , they go out to play in the snow. They throw snowballs at each other or make a snowman .
